Clinical and Vaccine Immunology (ISSN 1556-679X), a publication of the American Society for Microbiology (ASM), 1752 N Street, N.W., Washington, DC 20036-2904, is devoted to the study of all aspects of the human immune response, including those to vaccines and infectious agents. *Clinical and Vaccine Immunology* became an online-only journal with Volume 15, Issue 1 (January, 2008). The final print issue was Volume 14, Issue 12 (December, 2007). Previous print ISSN: 1556-6811.

Instructions to authors are published in the January issue each year. *Clinical and Vaccine Immunology* is published monthly, one volume per year. For subscription prices, contact the Subscriptions Unit, ASM. Correspondence relating to author reprint orders should be directed to Author Billing/Reprints, ASM, and correspondence relating to disposition of submitted manuscripts, proofs, and general editorial matters should be directed to the Journals Department, American Society for Microbiology, 1752 N St., N.W., Washington, DC 20036-2904. Phone: (202) 737-3600. doi:10.1128/CVI.15.5.2008 CODEN: CVILA6
